POA Learning's New Resilience Training Session 'Resilience in the Workplace' is now available.

We are happy to announce that our highly regarded Resilience training session has been given a revamp and is now available to the Isle of Wight. Based around the four pillars of resilience this is a half day session that we can deliver to any group who feel that it would be of benefit to them. It is an interactive session so

we don't expect people to just sit and listen. So, if you know a group of people that you feel would benefit from a bit of extra resilience then please give us a call—we can deliver this course without a charge.

March Newsletter Springboard Sessions

The **Springboard** sessions are up and running and despite the Coronavirus still being well attended. No appointment is necessary just come in and tell us what you would like to learn and we will take it from there. Functional Skills Maths, English and Computing are available for free as well as the range of vocational packs, employability skills and assistance online with such systems as Universal Credit and Find A Job. These are informal sessions which we like to keep very relaxed. These drop in sessions for English, Maths, ICT and Employability Skills can be found on every.....
