

## PA Advert Template

**Title:** Number of hours required per week, Town the individual lives/will be supported (location)

**About Me:** This section should contain information that best represents the individual and should be completely anonymous. It should include activities/hobbies and interests of the individual to find the best suited PA.

**Support Required:** This should be a breakdown of hours required to be carried out throughout the week and what is required to be completed for example, personal care, accessing the community, meal preparation or overseeing medication. This section should also include the PA rate of pay, if there are any animals in the house, if a driving licence is required and if there are any smokers in the home.

**Additional Information:** This section would include any additional information such as medical conditions of the individual

**How to Apply:** Generic brief description on what details the PA will need to leave and experience on what they can bring to the job role.

If you interested in supporting this individual please apply and leave your; name, preferred contact details and what support you can provide in your application.
